About Us

Founded in 2019, our company draws on the 15 years of experience of its management team. With inspiring designs and an approach that prioritises industry expectations, we aim to be among the leading manufacturers of solid-fuel fireplace stoves, pellet fireplace stoves, barbecues, grills and their accessories.

We carefully manage every commercial process, protecting the Fanus brand image while providing our customers with the best service. Our growing team continues its research and development work with the ambition of creating flawless products. Our goal is to build long-term strategic partnerships based on a full understanding of our customers.
